THE YEARBOOK OF  
LA GRANGE COLLEGE  
LA GRANGE, GEORGIA

# Quadrangle

# WE HAVE DONE OUR BEST

This year at LaGrange College is not a typical year; America is at war, and we, too, are at war; for are we not America? Perhaps our place is not at the battle front, or on the assembly line, or in a chemical laboratory, but, we, too, are having our part in this conflict. We are preparing ourselves for the future, in order that we might be better able to take our part in the war effort or in the peace to come. We of the staff have done our best to make this book a true picture of LaGrange College in operation, keeping pace with the nation. Paradoxical as it may seem, it is LaGrange College, dedicated to war . . . and to peace!

## THE STAFF

## To M<sup>lle</sup>. LUCIE BILLANT

Because her sympathy and understanding are always ready for those girls who seek it; because she teaches us the value of steady application to task; because her sense of humor always comes through; because her valiant spirit so truly typifies that spirit of freedom which today is fighting to preserve itself and which means to win; we dedicate this, the 1943 QUADRANGLE to . . . "Mademoiselle."

# O U R   P R E S I D E N T . . .

"Come my friends 'tis not too late to seek a newer world," thus may I salute you, the class of forty-three, in the spirit of Ulysses to his comrades. We live in a world at war. We fight that men may be free. The right to worship, to work, to speak, and to think as free men in a free world must be preserved. To the priceless heritage of freedom that is ours we seek also to add freedom from want and fear, those twin spectors of despair. The world we seek is worthy of our all-out effort to achieve. We must give to the last full measure of our devotion of all our powers which knowledge has conferred upon us, all of our insight which the perspective of a liberal Christian culture implies, to the accomplishment of victory and the establishment of a just and durable peace. Thus may the voluntary discipline of morality and the spirit of self sacrifice condition us for the good life of power and service in the new world we seek. In the days of war we prepare for peace. May the spirit of truth guide you and the spirit of flaming courage ennoble you "to fight the good fight and to keep the faith."

With affectionate esteem,

Sincerely yours,

H. T. QUILLIAN.

MIZE, BENNETT, HEAD, CARLEY

SARA GRAY MIZE . . . . .	<i>President</i>
GEORGIA HEAD . . . . .	<i>Vice-President</i>
LYNDA BENNETT . . . . .	<i>Secretary</i>
CLARA FRANCES CARLEY . . . . .	<i>Treasurer</i>

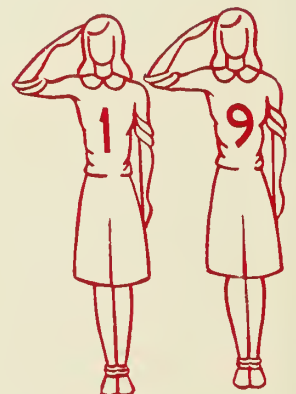

MRS. QUILLIAN

CHARLES JOHNSON

The class of '43 is quite sure that there has never been another sponsor like Mrs. Quillian. She has been our sponsor for four years, and her enthusiasm for our projects has endeared her to all of us. L. C. just wouldn't be "right" without her.

And of course, we are proud of our mascot. We think he is literally "the cutest little boy" ever!

SARAH GRAY MIZE

*Monroe, Georgia*

ALPHA KAPPA THETA

SARAH Gray has proven herself to be a most efficient senior class president this year. Her practicality makes her a good head for any organization. She has shown her ability while on the hill by being class secretary her junior year, vice-president of her sorority, secretary and treasurer of the P. K.'s. She has also been on the soccer team of her classes, on the Y Council, and is a member of the "L" Club.

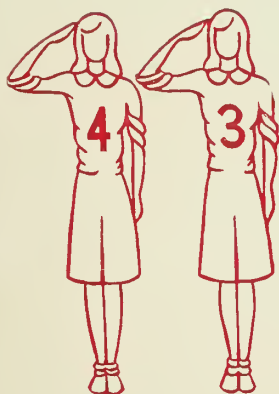

LYNDA BENNETT

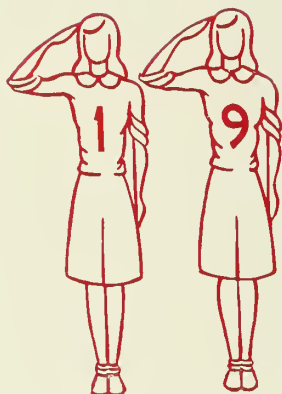

*LaGrange, Georgia*

KAPPA PHI DELTA

LYNDA transferred from G. S. W. C. in her sophomore year and has been a valuable asset to our class from that time. Her interest, and incidently her talent in music, has evidenced itself in the fact that she has been a member of the Glee Club every year and for two years has directed the Junior Glee Club. She has been senior class secretary and vice-president of her sorority this year.

MARY NELL EVANS

*LaGrange, Georgia*

KAPPA PHI DELTA

DUMMY is most interested in English and her interest has made her an effective editor of the *Scroll*, the LaGrange literary publication. Proving her true versatility, she has been on her class athletic teams every year, has been a member of the Glee Club, being treasurer her junior year and secretary her senior year, and was a member of the I. R. C. and Curtain Raisers for two years.

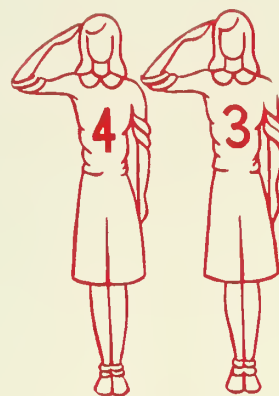

FLORENCE THRAILKILL

*Hapeville, Georgia*

ALPHA KAPPA THETA

If French were edible, THRAIL would certainly consume it in great quantities, for it is her first love. However, it is not her only love, as is proven by her long list of activities: Junior Glee Club, Glee Club, Y Council for three years, Athletic Council in her senior year, Music Club, and soccer for four years. To prove she is a good scholar, she made Honor Club her senior year.

#### KATHRYNE HAYS

*Madison, Georgia*

#### KAPPA TAU THETA

KAY has been one of the most active members of our class. This year alone she has been president of the Athletic Association, senior representative on the Student Council, treasurer of her sorority, secretary and treasurer of the Science Club, and an active member of the Dramatic Club and the Glee Club. She was also Maid-of-Honor in the May Court, and elected a superlative. She is a member of Alpha Psi Omega, dramatic fraternity, one of the coveted honors of the campus.

#### JUANITA STONE

*Athens, Georgia*

#### ALPHA KAPPA THETA

NITA has made one of the most ingenious presidents of the Y. W. C. A. that we have ever had. Her zeal and originality have helped make the Y a real living thing on the campus. She, too, is versatile, being a skillful painter, and a member of her class teams. This year she was elected to Who's Who Among Students in American Universities and Colleges, one of the highest honors of our campus. She also was elected one of the five superlatives.

CLARA FRANCES CARLEY

*LaGrange, Georgia*

KAPPA TAU THETA

FLEA has had her troubles this year, pulling her hair as Business Manager of the QUADRANGLE. She has also been president of the Glee Club, vice-president of the senior class, and vice-president of the Curtain Raisers. She was elected to Alpha Psi Omega this year, having been a member of the Curtain Raisers for four years. She is also a member of the Music Club, the Dance Club, the Chapel Choir, and the Seven Singers.

VIRGINIA CARPENTER

*Augusta, Georgia*

KAPPA TAU THETA

As president of the Curtain Raisers, CARPIE has done a fine piece of work this year. She has also been president of Alpha Psi Omega. She has been active in athletics her entire stay at L. C. She is a member of the Glee Club and of the Chapel Choir. She transferred to us from the Junior College of Augusta where she was a member of the Literary Society and of the Variety Club.

AUDREY ROBINSON

*Greensboro, Georgia*

KAPPA TAU THETA

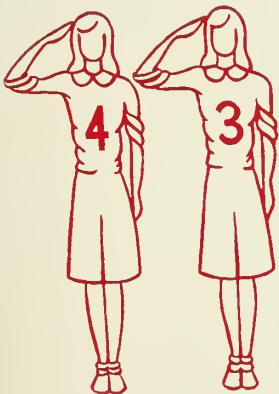

AUDREY has endeared herself to all of us with her lovely voice and sweet disposition. She transferred in her sophomore year from Brenau, and has since been active in her work at L. C. She is a member of the Glee Club and the Chapel Choir. She has also done good work in the Curtain Raisers. For two years she has been class representative to the May Court.

MEMORY SUTHERLAND

*New York, New York*

KAPPA TAU THETA

MEMORY has been very versatile in her four years at L. C. She has been a member of the Glee Club and of the Chapel Choir. She was active in the Curtain Raisers. She has been a member of the Y Cabinet, being under graduate representative her senior year. In her sophomore year, she was class representative to the May Court. She is a member of the I. R. C.

DORIS BERRY

*Atlanta, Georgia*

ALPHA KAPPA THETA

DORIS transferred in her senior year from Bessie Tift College. She has been very active in Glee Club work this year, being a member of both the Glee Club and the Chapel Choir. She is also a member of the I. R. C.

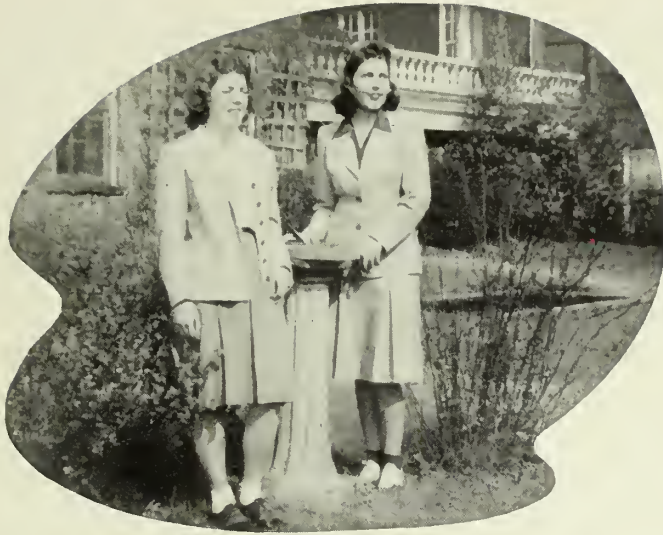

MARGERY GOLSAN

*McDonough, Georgia*

KAPPA TAU THETA

MARGIE transferred in her sophomore year from Shorter College where she was a member of the Polymian, the Art Club, and the Dramatic Club. She has continued her work in art being secretary of the Art Club in her senior year. She was also a member of the Curtain Raisers in her sophomore year.

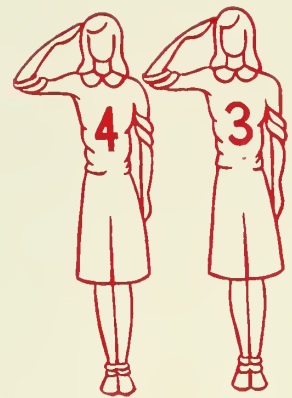

GEORGIA HEAD

*LaGrange, Georgia*

KAPPA TAU THETA

GLAMOUR holds the distinction of being the only member of our class to be in the May Court all four years. On top of this, she is a brilliant piano student, and to prove she is "all-round," she is president of her sorority and president of the Town Girls' Club. She was a member of the Glee Club and Chapel Choir.

SARAH HUTCHINSON

*LaGrange, Georgia*

KAPPA TAU THETA

It's fifteen rahs for SALLY, who finished up her science major in three and a half years, by dint of going to Emory, and thus beat the rest of us out of school by about four and a half months. While on the hill, Sally was a member of the Glee Club, the Town Girls' Club, and the *Scroll* staff.

MELBA DAY

*LaGrange, Georgia*

KAPPA PHI DELTA

Because of her lovely voice, MELBA has always been most active in Glee Club work. She was a member of the Glee Club, the Chapel Choir, and the sextet. She was Music chairman on the Y Cabinet in her junior year. She was a member of the Curtain Raisers.

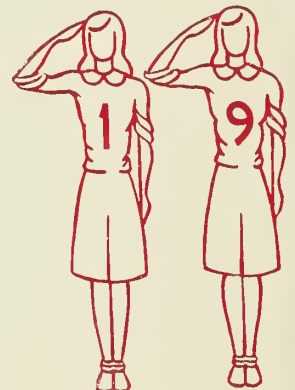

JANNIE OWEN

*McDonough, Georgia*

KAPPA TAU THETA

JANNIE transferred from the University of Georgia in her senior year. She has been a member of the I. R. C.

ELIZABETH ANN HARRISON

*Rockmart, Georgia*

KAPPA PHI DELTA

LYS has been a most outstanding member of our class. She was class president for her first three years. This year she has been president of the Student Council, having been vice-president in her junior year. She was elected to Who's Who in her junior year and again in her senior year. She has been among the superlatives for two years, being Miss LaGrange College in her senior year. This year she has also been president of her sorority. She made Honor Club in her junior and again in her senior year. She has been a member of the Y Cabinet, the Curtain Raisers, the Art Club, O. F., the *Scroll* staff, and the Quill Drivers. She was elected May Queen in her senior year.

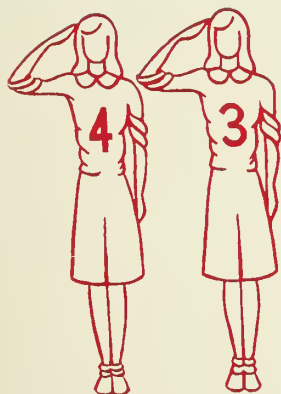

PAT BARBOUR

*Atlanta, Georgia*

KAPPA TAU THETA

PAT's only claim to fame is likely to make her infamous as she has been editor of the *QUADRANGLE* for 1943. She has been on the Student Council for three years, being vice-president her junior and senior years. She made Who's Who in her senior year, and has appeared among the superlatives for two years. She has been a member of the I. R. C. for three years being president her senior year. She was also president of the Dance Club her senior year. She has been a member of the Quill Drivers, and the *Scroll* staff and made the *Scroll of Fame* in her junior year. She was also a member of the Junior Glee Club, the Curtain Raisers, the Art Club, and the O. F.

## THE L. C. GIRL'S CREED

*Life is mine to live. That I may cherish it  
And right royally meet its responsibilities,  
I would lay aside that which is  
Narrow, selfish, ignoble, and unkind;  
The false, superficial, the dishonest  
I would shun in thought, word, and deed.  
Rather may I cultivate in my college life  
Those traits and ideals that will fit me  
To weave dreams into realities, and impressions into character;  
To meet bravely the hard tasks of life;  
To bring joy to those who sorrow, and  
Strength to those who falter, in their tasks.  
I would strive to judge more kindly,  
Trust more fully and love more deeply,  
That my life may reflect His goodness,  
And my soul may grow in the knowledge  
Of Him, whom to know is life eternal.*

# STUDENT

# GOVERNMENT ASSOCIATION

The purpose of the Student Government Association is to maintain, through the Honor System, high standards of living and scholarship on the college campus.

The Student Government, through the Council, attempts to guide the life of the college community. One of the first duties is aiding in the orientation of Freshmen in the fall. At the end of the orientation period is the Junior-Freshman Wedding, and the granting of membership in the association to the Freshmen.

In April, delegates were sent to the Twenty-first Annual Congress of the Southern Federation of College Students' and Publications' Representatives in Baton Rouge,

Seated: Lee, Allen, Shepherd, Harrison, Barbour, Hays, Copeland . . . Standing: Heard, McKee, Foster, Taylor, Stone.

Louisiana. From the lectures and discussions of this conference, the delegates received training for the year's work.

Founded on honor, truth, cooperation, and service, the Student Government Association aims at, not only pleasant college relations, but also training for future usefulness.

The Y. W. C. A. is a voluntary religious movement that encourages Christian youth in spiritual and social growth. It had been the purpose of this organization to increase awareness among our student group, particularly during this time of national crisis, and to place special emphasis upon creative living in which students find their best and truest service.

The program of the Y. W. C. A. has been enlarged considerably during this year. In addition to regular week-day vesper services and morning watch on Sunday, we have initiated a series of Sunday Vesper Recitals for the benefit of the students and the people of LaGrange. Most of the programs have been presented by local artists and students.

KATE FOSTER

SARAH VEATCH

SARAH GRUBBS

The first week-day vesper services were conducted by the major organizations on the hill to acquaint the new students with our activities. We have attempted to create more interest by working with the other religious organizations on the campus: the Methodist Student Movement, the Baptist Student Union, and the Freshman Commission, which is a division of the Y. W. C. A.

The Freshman Commission has been active this year in helping to carry out the program of the Y. Anita Moore, Freshman Representative on the Cabinet, is chairman of the Commission. The other members are: Devotional Chairman, Jean Loftin; Music, Shirley Moore; Social Service, Virginia Ball; Recreation, Ann Rainey; Publicity, Mary Laura Starr; and Secretary, Sarah Alice Fortson.

Miss Augusta Roberts, National Student Secretary of the Y. W. C. A. visited our campus in October. Our campus Religious Emphasis Week was in January. At that time the student body and faculty attended services twice daily at Callaway Auditorium. Bishop Arthur Moore was the speaker, and was assisted by Homer Rodeheaver, evangelistic singer. Dr. H. Augustine Smith presented "A Festival of Music" at the beginning of the services.

On World Communion Day, a communion service was held in the Prayer Hall for faculty and students. The "Y" Recognition Service was in October in the Dobbs Auditorium. During the month of February, special emphasis was placed on the World Student Service Fund. A campus-wide campaign was put on in which all classes contributed money obtained by class projects.

Delegates were sent to the summer conference at Blue Ridge and also to the conference at Lake Junaluska for Methodist Students.

There has been a wonderful response from the students as a whole in helping to carry on the work for the Y. W. C. A. Greater reverence has been shown in services of worship and all have been well attended.

# RELATIONS CLUB

Our theme for this year's study has been "A Permanent Peace Organization after the War." We have attempted to study the problem scientifically and have made investigations into the political, economic, and religious histories of the nations which we feel will offer the most serious problems. The club is under the auspices of the Carnegie Endowment for International Peace and receives from them current books of greatest interest in the field of international relations. We are a member of the Georgia Association of International Relations Clubs and also of the Southeastern Association. Realizing our present role is one of very little importance, we yet feel that our studies are making us more intelligent and more valuable members of the new world which must come—after the war.

Did it ever occur to you that the people who were putting out your college annual were in reality publishing a book? Probably not. It never really occurs to anybody until someone says to them, "It's your job to publish this year's annual—and see that you do a good job of it as we must live up to last year's standard!" From that moment on, you are no longer a mere college student intent on your work and your play; you are a member of the Press. You are on the exalted level of a reporter or a photographer or even the editor of a big newspaper. You are entitled to use a special jargon about typeheads and copy and angle shots and even to pretend that you know what you are talking about. You may go to conventions and spend hours arguing the effect of bleeding a certain type shot off a page. You may stay up late at night with a green eye shade and a pencil behind your ear struggling over copy that just won't come right or ads that have shrunk considerably since last year! In short, you are a member of distinguished company putting out the most important book which has ever been printed!

And you love every minute of it! You love the worry and the late hours. You love the gentle (?) hints from the printer that if you sent in your copy he might be able to print it. You love the professional secrets. You feel that journalism is your own especial calling, none other! If you don't believe us, come around sometime and dabble with us in the printer's ink. You'll find it never comes off!

The *Scroll* is the literary publication of LaGrange College. The magazine, which is published three times a year, contains poems, stories, essays, reviews, and articles contributed by the student body.

In cooperation with the staff is the Quill Drivers Club. Membership is obtained by having a total of three articles published in one year. The members meet with the staff and work with it on the magazine.

Each year those students who have made the most distinctive contributions during the year are chosen by a faculty committee for the *Scroll of Fame*. These students' pictures, never more than four in one year, are hung in the library. This is the highest honor awarded at LaGrange College for literary work.

The Glee Club is one of the busiest organizations on the hill. Miss Elizabeth Gilbert, the gracious director, is untiring in her efforts and gives greatly of her time to the careful instruction of the Glee Club. Whenever there is a play, recital, defense meeting, religious gathering, or any civic or community meeting, there you will find either the Glee Club or some of its members doing their part to render the musical side of the entertainment. Having about thirty-five members, this club is one of the most active organizations on the campus. The highlight of the Glee Club Calendar this year was the light opera production, *Martha*. A perennial favorite is the music of the Christmas pageant.

## CHAPEL CHOIR

Left to right: Keeler, Carley, Evans, McGibony, Foster, Holle, Berry, Hays, Sutherland, Carpenter, Holle, Williams, Bennett, Veatch, Robinson.

This group is carefully selected from the Glee Club for special training in sacred music and a capella singing. The Chapel Choir is also noted for its harmonizing of special intricate music which only a small group of well-trained voices can master.

The Sextette specializes in light, semi-classical, and sometimes popular numbers. These singers are not only favorites on the hill and in town, but also are often invited to be guest artists in out-of-town civic clubs and other organizations.

The Baptist Student Union is the voluntary religious activity of the Baptist students within the school and is provided for and promoted by the Southern Baptists. In this organization are all students of Baptist preference who are away from home and the home church. The Baptist Student Union is a connecting link between our college and local church. It seeks to popularize and keep vital in the life of a student the various organizations within the church, as well as the church as a whole. It keeps before the student the objectives and activities of the church.

An art is not a Fine Art unless its purpose is first and foremost to give pleasure—to give aesthetic pleasure—pleasure derived from the sense of beauty; and to give it by means of an imitation or interpretation of life in terms of artistic conventions.

The Art Club through its monthly programs develops in its members an appreciation of art that will enlarge their powers of understanding and consequently of enjoyment. The members study the lives and works of the old masters as well as the contemporary artists. The club sponsors exhibits of various art schools which are open to the public and thus enlists the cooperation and interest of the townspeople as well as the students.

The accompanying picture shows a group of luscious L. C.'ers just before taking their first dip of the season.

We are proud to introduce you to the "L" Club made up of those girls who are outstanding in athletics. Each member received this honor not because of her intellect nor from the casting of a vote, but by dint of determination, sacrifice, skill, and deprivations. Ten letters are given each year, and after once a letter has been received, a star may be earned. The girls who make the "L" Club should receive the highest tribute, for it is not just the letter that the girl receives, but those numerous lessons that she is taught in deciding whether or not a thing is worth working for.

Left to right: Mallet, Barbour, Harrison, Fortson, Copeland.

This year for the first time the Senior Class had a speedball team all their own; therefore, it is with delight that we present them. Perhaps the speedball tournament arouses more whole-hearted enthusiasm than any other event. With a championship at stake and each team filled with class spirit, the hardworking seniors fought on.

#### SOPHOMORE SPEEDBALL TEAM

Left to right: Dailey, Storey, Baker, Camp, Crenshaw, McGibony.

The Sophomores and Seniors, being sister classes, and also because the Sophomores show speedball in action, we present these two teams together. On tournament day the cheering sections are usually composed of the sister classes of the teams playing. This is another example of the bond of friendship that exists at L. C.

Yea, Freshmen! We give you the newest addition to our campus and also the team that withstood keen competition and came through as champions.

#### FRESHMAN SPEEDBALL TEAM

First row: Cliatt, Rainey, Moore, Starr, Davis, Clark, Freeman, Lewis, Taylor. Second row: Carter, Fortson, Barbour.

The Juniors played "plenty" hard this year. Their teamwork was the terror of other teams. They had "wim and wigor" and the other teams truly felt it!

Softball is another spring folly. Almost before cold weather has gone, girls can be seen getting the bats and balls. This shot gives you

a fair example of how the Senior softball team looks while they are in home lining the bases up for the runs they hope to make. You can tell from this that they go after their game in a big way.

Obviously the Juniors have already decided that their team is going to be in home first. Yessir, they are really "on the team" when it comes to softball, too.

The Freshmen swing a mighty bat and really play the game. You are a player plus if you can hit a home run on one of their hard thrown balls!

Such form, such grace! This shows you one of the archery classes in action. When this many take bows and arrows it makes trouble for the target.

#### SOPHOMORE SOFTBALL

Left to right: Dailey, McGibony, Crenshaw, Camp, Storey, Moore.

The Sophomores, who were the softball champs of last year, are by no means out of the game this year! They are all good, and really on the job!

Sally, June, Paula, Mary, and Lys are having a little bull session by the pool.

Last year's archery champ and still shooting is Paula who aims for the bull's eye, and actually hits it!

Lee and Louise have a new method of playing ping pong. It is much simpler and saves running after the ball.

Spring sunshine and an afternoon without classes are the things that send girls to the golf course. Kay holds the flag and Margie holds her breath, hits, and hopes she will make it.

. . . . For I have learned  
To look on nature, not as in the hour  
Of thoughtless youth; but bearing oftentimes  
The still, sad music of humanity,  
Nor harsh nor grating, though of ample power  
To chasten and subdue. And I have felt  
A presence that disturbs me with the joy  
Of elevated thoughts; a sense sublime  
Of something far more deeply interfused,  
Whose dwelling is the light of setting suns,  
And the round ocean and the living air,  
And the blue sky, and in the mind of man;  
A motion and a spirit, that impels  
All thinking things, all objects of all thought,  
And rolls through all things.

Many years ago LaGrange was named by one of her first citizens "The City of Elms and Roses;" since that time she has also become the City of Cotton Mills; and her residents may justly feel a pride in either name.

THE DUNSON MILLS lie on the eastern edge of the city, between the Atlanta and West Point Railroad and the Atlanta Highway, Route 14. Its buildings and the grounds are among the most attractive in the South today. The main mill building and offices are surrounded by a wide expanse of velvety lawns, green the year round, and appropriately planted with flowering and evergreen shrubs. The mill building is of red brick with white trim, and has a base planting of shrubbery. The tenement village has some three hundred houses of three and four-room types, at all times kept freshly painted white, with green trim. Every home is provided with electric lights and running water and has ample room surrounding it for flowers and vegetable gardens, chickens and a cow if desired. The City of LaGrange last year erected in our village a most modern and commodious Grammar School Building for the children in our section. The school is equipped with a splendid kitchen and cafeteria, and has a beautiful auditorium. The Company operates at its own expense a well-equipped kindergarten for the small children. The Company also furnishes a two-story brick building for use as a meeting place for clubs, lodges, and community gatherings.

A full-time graduate nurse is regularly employed by the Company for the welfare of its employees and their families, and group life insurance at a very low rate is provided for all who wish it.

The Company a few years ago built two modern brick churches, one of Old English and one of Colonial design, and besides furnishing light, heat and janitor service for the congregations using them, also contributes substantially to the support of their resident pastors.

## Re-decorate with Callaway Towels!

**FOR NATIONAL DEFENSE—**  
Callaway Mills are providing cotton material for a vast number of articles needed by America's armed forces.

Now, you can have a brand new bathroom... without adding a single new fixture! Callaway's new Bath Ensembles are the secret.

Start with just a few Callaway Towels. See the glow of luxury their clear pastels and smart designs give your bathroom. Then you'll want to carry out the whole brilliant Callaway decorating plan. All at once—or piece by piece—you add matching guest towels, face cloths, terry mats, tufted rugs, lid covers, shower curtains. Yes, even bathroom window curtains. The transformation is perfect. Your bath-

room is "new"—smartly redecorated.

Remember, only Callaway creates these Complete Matched Bath Ensembles. Don't miss them. They're ready now in fine stores. Callaway quality is a sound investment, especially these days.

**Only Callaway Towels are  
ABSORBENZED®!**

Through their exclusive ABSORBENZED process, Callaway Towels, even when new, dry you thoroughly! Independent, scientific tests prove that Callaway Towels dry 71% better, when new, than the same type new towel untreated. (U.S. Textile Co., Inc. No. 11400-4-24-43)
